

Assignment 3: Training Practice Log

Instructions: Record your training practice every day

| | | | | |
|-----------------|---------|-----|--------|------|
| Example: | 7/20/15 | Sit | 15 min | A.B. |
|-----------------|---------|-----|--------|------|

[illegible]

HELPFUL TIPS: Dogs learn through repetition and consistency. Be sure that you are delivering your commands clearly and thoughtfully. Also be sure to deliver your treats to your dog quickly, within 1-2 seconds max of your click. The order should be: *Give command, dog performs command, click immediately when command is completed, then treat.*

Bring your log with you and the Trainer will initial it at the next class meeting.
